

WHO WE ARE and the facts and figures

TIMELINE

We are Over Morgen, a fast-growing sustainability consultancy firm with over 80 advisors. We work with an integrated approach at the junction of sustainable urban development and energy transition.

Our goal is to help create a sustainable environment that fosters future-proof social and technological development. At Over Morgen, we shape and deliver solutions. We assist you in your process management, project management and program management with a combination of data analysis, sustainability studies, financial management, co-creation and participation. We work with the public and private sector in the Netherlands and abroad.

We are people-oriented, creative and realistic. We are experts in the field of sustainable urban development. We make viable plans and set clear, measurable goals. We already act while thinking. We are transparent, enthusiastic and eager to involve you in our mission. We bring the right people together. Take responsibility. Know how to handle conflicting interests. We organise funding and get personally involved in every step, because bringing projects to life is what truly moves us. What about you?

2001

Gerwin Hop and Erik Tissingh start their consultancy in urban renewal together. In the following years Maurits Materman, Jeroen Roeloffzen and Ruben Visser also become shareholders.

2012

The founders see that sustainability is a crucial part in the field of urban renewal. They decide to name the consultancy Over Morgen.

2015

Over Morgen starts the PARKnCHARGE venture. The start-up invests in charging for electrical mobility in the public and private space.

2017

Over Morgen starts the Social Charging venture. This is an application used to connect drivers of electric vehicles.

2017

Over Morgen moves from the city of Ede to Amersfoort, to a repurposed soapfactory in an old business park called 'De Nieuwe Stad'.

2018

Over Morgen starts the MorgenZon venture. The start-up realises solar energy by renting big rooftops.

2019

Over Morgen is listed in the Top250 scale-ups in the Netherlands, as one of the 14 consultancies with more than 75 consultants.

2020

Arcadis becomes the new shareholder of Over Morgen. With this new strategic partnership we want to achieve a greater impact for a more sustainable society and an improved quality of life.

We work in these 8 expertise-areas with public and private parties like municipalities, regions, national government, area developers, social housing corporations and industry.
